Lake States
Interpretive
Association

The non-profit Lake States Interpretive Association sells books, maps, posters and other interpretive items at visitor centers in Voyageurs National Park, the Lakewood Ranger District in the Nicolet National Forest, and the Chippewa and Superior National Forests. The association also publishes interpretive books and materials about these areas. All profits from sales support the educational and interpretive projects of these agencies.

Voyageurs National Park, You've Got Friends!

Friends of Voyageurs
National Park

To celebrate our 10th year, the Friends of VNP are sponsoring a "Get the Lead Out" fishing tackle exchange at all park visitor centers. Bring your lead tackle to the visitor center and exchange it for a nontoxic alternative provided by the Friends of Voyageurs National Park, while supplies last. Donations from people like you

sustain our mission of supporting natural, historical and educational activities at VNP such as supplying nontoxic sinkers for the exchange. Your donations have helped fund analysis of plasma samples from young bald eagles to determine if contaminant levels are continuing to decline, assuring a healthy eagle population in the future.

Perhaps your child has taken part in Voyageurs' environmental education programs or used the children's activity centers at the visitor centers. Have you hiked the Echo Bay Trail, used the trash bag provided in your campsite food locker, or listened to the nickelodeon play at the Kettle Falls Hotel? People like YOU who have joined the Friends of Voyageurs National Park have made these and many other projects possible.

We are proud of the many ways we have contributed to Voyageurs National Park. You can be a "friend" of the park too. Pick up a membership brochure or a donation envelope at any park visitor center and join us today! Contact us at 3131 Highway 53, International Falls, MN 56649 or go to www.nps.gov/voya/home.htm and click on link to Park Partners.

Voyageurs National
Park Association

(VNPA) was organized in 1965 to establish Minnesota's only national park. Since its creation, we have worked with Voyageurs National Park to protect its unique natural and historic resources while attracting visitors to this area rich in recreational opportunities.

With help from friends like you, VNPA

- Promotes Voyageurs National Park through outreach activities and the creation of educational materials such as our new recreation map series and the book, Birds of Voyageurs National Park.

- Advocates for protection of the park's resources by mobilizing constituents.
- Enhances the visitor experience by supporting trail maintenance, park events and publications.

Voyageurs National
Park Association

The Friends of Voyageurs National Park and Voyageurs National Park Association encourage you to do your part to protect Voyageurs National Park's environment by recycling, using nontoxic sinkers and lures in place of lead, properly disposing of trash, and treading lightly in the park.
